

Waratah SDS Inclusion and Diversity Policy (includes Equal Opportunity and Sexual Harassment)

PURPOSE

The purpose of this policy is to explain Waratah SDS's commitment to making sure every member of our school community, regardless of their background or personal attributes, is treated with respect and dignity. Waratah SDS strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. For staff, this policy should be read alongside the Department of Education and Training's [Respectful Workplaces](#) policies (including [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#)) as these whole of Department policies apply to all staff at Waratah SDS.

Disability harassment: humiliating comments or actions about a person's disability.

Vilification: conduct that incites hatred towards or revulsion or severe ridicule of a person or group of people on the basis of their race or religion.

Victimisation: subjecting a person or threatening to subject them to detrimental treatment because they (or their associate) has made an allegation of discrimination or harassment on the basis of a protected attribute (or asserted their rights under relevant policies or law).

Inclusion and diversity

Waratah SDS is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school. The school has a significant number of students who come from a non-English speaking background. Around 10% of students have an Aboriginal or Torres Strait Islander background.

Waratah SDS acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Waratah SDS we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Waratah SDS will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg school sports, concerts, or other whole school events) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Waratah SDS. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Waratah SDS also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. All students at the school have an Individual Learning Plan (ILP) which is devised in conjunction with families and significant people in the student's life. The ILP is reviewed at least twice a year by member of the Student Support Group.
